## Guidelines for Graduation Audit of SAI Students

(Version: 21 July 2025)

To align with the introduction of Common Core Courses consisting of Common Core Required (CCR) Courses and Common Core Elective (CCE) Courses, the graduation audit for SAI students has been adjusted.

### 1. General Regulations

- 1.1 SAI students are approved for graduation by the Senate after fulfilling all graduation requirements stipulated by the University, as outlined in Section 12 *Graduation, Graduation Honours and Honours Classifications* of the General Regulations for Undergraduate Degree Programmes.
- 1.2 In addition to 2.1.1, SAI students must fulfill the customized study plan approved by the senate for their graduation audit.

### 2. Courses and Units

- 2.1 Students must specify elective courses by category during the course selection period.
  - 2.2 SAI students from the 2022–2024 cohorts majoring in AM, FM, STAT, DS, CST, or AI must fulfill their original study plan requirements and complete an additional compulsory Major Elective (ME) course, Final Year Project II (FYP II), to graduate.
3. Regarding international degree-seekers, graduation requirements for Chinese and PPE (Philosophy, Politics and Economics) courses must comply with existing regulations.
  4. The SAI graduation list should be approved by the respective Faculty/School Board before submission to AR.
